Broker Remarks

Astrea 42 Maestro | Owner Version | Private |
Preveza, Greece

One of the most completely equipped 2023 Astrea 42 Maestros currently available in Europe – and one of the few in immediate private ownership, without charter encumbrance or delivery delay. Australian-owned since new, never chartered, and upgraded with purpose, "Migaloo II" is a first-ownership example built to a specification that goes well beyond factory standard: Victron lithium power, 800 W solar, 9 kW generator, full air conditioning, Garmin electronics, Starlink, and 100 m of chain among her inventory. A winner at the 2025 Fountaine Pajot Owners' Rendezvous, she lies in Preveza, Greece, fully commissioned and ready to go..

Highlights listed below but included in the specifications:

- One-owner 2023 Astrea 42 Maestro – Private owners' three-cabin version
- Victron-based lithium battery bank – 4 × 280 Ah LiFePO₄ (≈14.3 kWh)
- 800 W solar array with Victron MPPT controllers
- Full remote system monitoring via phone or tablet
- 9 kW Onan

generator+ twin alternators (on both Volvo D2-50s)

- Victron Quattro II 3 kW inverter/charger
- 6 × Frigomar air-conditioning units (56,000 BTU total)
- Aquabase 12 V watermaker (105 L/h) + Acuva UV freshwater system
- 100 m Grade 70 chain + 33 kg Rocna anchor + 2 spares
- Twin mooring reels for easy Med-style berthing
- Highfield Hypalon tender + Yamaha F20 with console helm
- Premium Garmin electronics suite + Starlink + Iridium Go
- Bosch washing machine and dishwasher + fully equipped galley
- Extensive sunshades, cockpit cushions, and custom storage details
- Full safety gear incl. 10-man liferaft, EPIRB, PLBs, and defibrillator
- Winner – 2025 Fountaine Pajot Owners' Rendezvous

Broker's Remarks

Migaloo II combines the comfort and styling of Fountaine Pajot's latest designs with genuine self-sufficiency and reliability. Her proven Victron/Onan hybrid energy system delivers quiet, dependable off-grid operation without the complexity of newer 48 V platforms. Every upgrade has been chosen with long-term cruising in mind – from solar and lithium power to UV-filtered

freshwater, robust anchoring gear, and thoughtful interior refinements.

Meticulously maintained and continually improved, she represents an exceptional opportunity for a couple or family seeking a turnkey Astrea 42 in outstanding condition. Lying in Preveza, Greece, fully equipped and export-ready.

Owner's Reflections

Migaloo II has been a wonderful yacht for our group of friends – comfortable, capable, and well thought out. We've equipped her for independent cruising, not just weekend sailing, and she's proven herself in every way.

From the quiet confidence of lithium and solar power to the comfort of full air conditioning and shaded spaces at anchor, she's allowed us to enjoy the Mediterranean exactly as we'd hoped – in comfort, style, and safety.

Her upgrades and small touches make life aboard easy: from 100 m of chain and mooring reels to extensive sunshades, cockpit cushions, spice racks, and curved furniture details. Everything has been chosen with care.

As part of our ownership agreement, *Migaloo II* has also benefited

from consistent end-of-season maintenance
— every system is checked, and any issue
resolved immediately. She's been our perfect
base in the Ionian, and we hope her next
owners enjoy her as much as we have.

Accommodation

ACCOMMODATION

- Cabins: 3 Queen cabins with fans and curtains
- Owner's Suite: Electric toilet (fresh/salt water), large walk-in shower
- Guest Cabins: 2 both with electric toilets (fresh/salt), Jack & Jill shared shower
- Beds: Slatted bases, toppers, linens, duvet, blankets, & pillows included

None

HISTORY

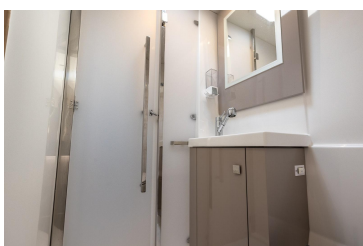

Built in 2023 and delivered to her current private owners in La Rochelle, *Migaloo II* has been maintained to an exceptional standard and has never been chartered. She was the

proud winner of the 2025 Fountaine Pajot Owners' Rendezvous and has benefited from continuous upgrades since launch, including lithium batteries, a comprehensive safety inventory, and an impressive suite of cruising equipment.

The yacht is owned by a small syndicate of like-minded individuals who were closely involved in the build process and have maintained her with a generous budget and high attention to detail. Their thoughtful ownership is immediately evident upon stepping aboard, with every aspect of the yacht reflecting careful care and investment.
