Beneteau Antares Serie 9 – 'Blue Dolphin'

Blue Dolphin is an outstanding example of the ever-popular Beneteau Antares Serie 9. Presented in lovely condition and meticulously maintained, she is a credit to her current owners.

She benefits from an extensive program of recent maintenance and upgrades (completed in 2024), ensuring peace of mind for her next skipper:

- **Hull & Running Gear:** Coppercoat, refurbished rudder, new propeller, and a replacement shaft gland.
- **Engine & Mechanical:** Full engine service, refurbished injectors, and a replacement oil cooler.
- **Ancillaries:** Brand new through-hull fittings and a crisp, new rear cockpit cover.

Accommodation & Versatility

Below deck, her comfortable double forward cabin makes her ideal for extended stays onboard—whether it's a weekend getaway or weeks on end. Combine this cozy accommodation with a generous, light-filled

saloon, a well-equipped galley, and an enormous aft cockpit, and you have a superbly versatile cruising boat perfect for family adventures or entertaining.

Viewing& Location Overall, Blue Dolphin comes highly recommended, and early viewing is strongly advised.
