Broker Remarks

Compact pocket cruiser of pedigree. Designed by Ron Holland as a competitive quarter ton racing yacht and quickly established itself as a quick yacht on the race course with production extending from the UK to Australia and Argentina. Many of these boats were produced and have stood the test of time. "Escapade" was modified and optimised with extended keel and rig. Easily handled day or weekend cruiser & will perform around the cans. "Escapade" has been well looked after by a caring owner and stored ashore every winter. Viewing by appointment in Dun Laoghaire.
